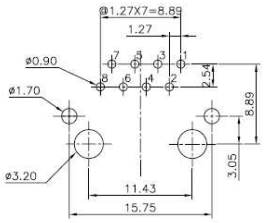
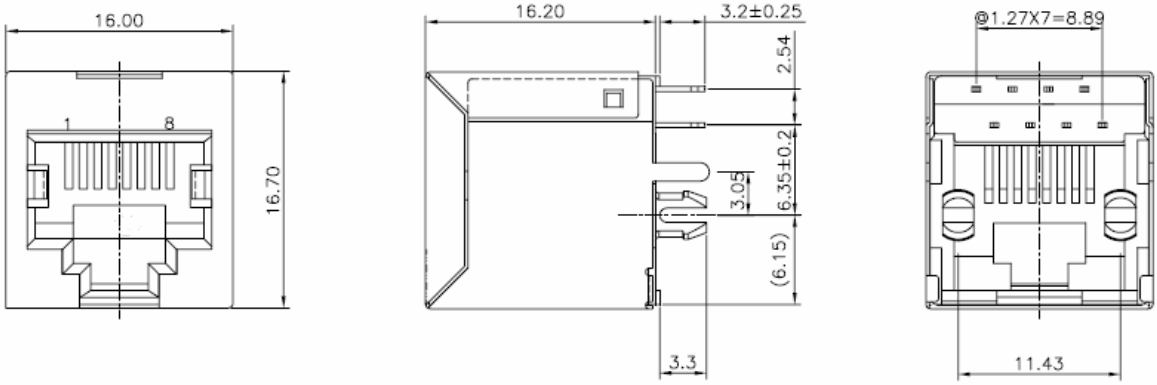
modcon®-CAT6 jack series

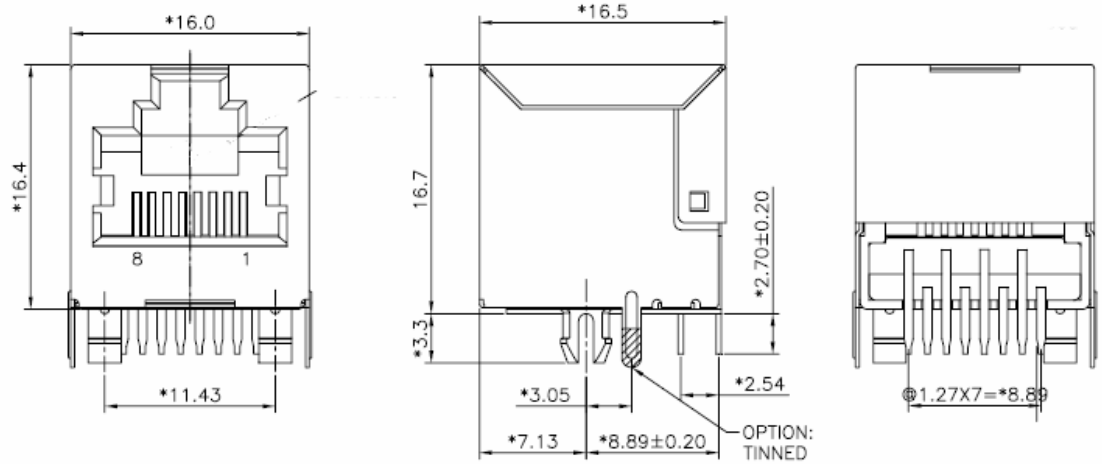
- ✧ Support of High Speed Transmission; IEEE802.3an / 10GBASE-T Ethernet
- ✧ Vertical and horizontal mount
- ✧ Gold plating : 30u”
- ✧ Full shielded or unshielded
- ✧ Housing Material: high temperature thermoplastic UL94V-0
- ✧ Contact Material: Phosphor Bronze
- ✧ Plating: base Nickel 120µInch (3µm), in contact area gold 30µInch (0,76µm) standard
- ✧ Shield Material: Copper Alloy Nickel plated
- ✧ Conform to (Federal Communications Commission) FCC 47, Part 68, Subpart F.
- ✧ Same pcb-layout like CAT5 jacks.



PCB-Layout

Vertical CAT6 Jack – JS88C6V





Horizontal CAT6 Jack – JS88C6H
