

INSILCO® SPECIAL CONNECTORS

INELCO®
THE DISTINCTION

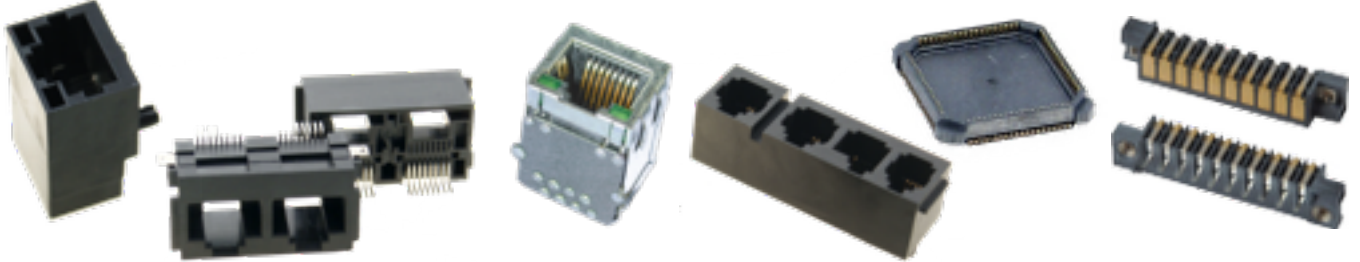

INELCO's Special & Custom Made Connectors

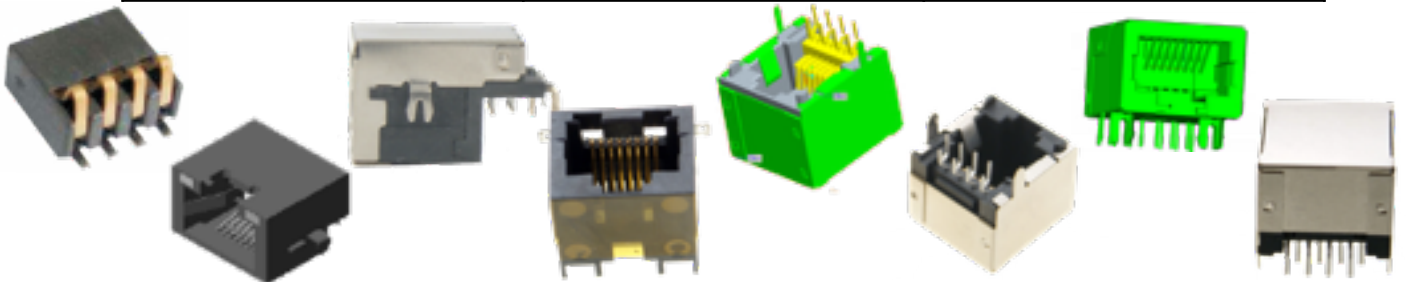

INELCO can assist you to develop special connectors exactly made to your needs in design, cost-efficiency and highest quality, by taking advantage of our expertise in building connectors. INELCO's complete service package includes: design, tooling, assembly, manufacturing, and packaging. Our cost-effective engineering solutions deliver long-term reliability.

INELCO's complete service package includes:

- design
- tooling
- prototyping
- assembly
- manufacturing
- packaging.

Contact Stamping Die	Shield Stamping Die	Plastic Injection Mold
		
Wire EDM Machine	Shield Stamping Press	Contact Stamping Press
		
Plastic Molding	Assembly Line	Testing
		

INELCO builds connectors with care so that your parts stay consistently in specification and your costs stay low.
